

STÅNGEN COAT HANGER

CLASSIC COLLECTION

Design Gemla Archives 1952

Solid bent European beech, treated with hardwax oil, stain or lacquer.

Suitable for any public space as well as the private home. Due to the clever design and strength of bent wood, Stången can carry heavy load with great balance.

Stången is available in various color. Complementing product is Kroken Wall Hanger.

Stången is a most durable hanger but shall still be handled with care. The surface shall regularly be wiped and kept clean with dry cloths. Download special care instructions at www.gemlaab.se for oiled surface treatment.
