

MAJOR COAT HANGER

CONTEMPORARY COLLECTION

Design Carina Seth Andersson 2018

MAJOR is a majestic coat hanger inspired by the ancient marble columns, originally designed for the re-opening of Stockholm National Museum 2018.

With solid bent legs of European beech and feet of steel, this light and elegant coat hanger stands steady on the ground. 24 movable steel hooks invites to carry a large party of coats, while the center rings will storage your umbrella.

MAJOR is created for the busy restaurant atmosphere or meeting place in mind, but is just as suitable for a bedroom or hallway in the private home.

MAJOR is available in various colors.

Swedish handcraft made to customer order in 8 weeks.
