

ZINC BAR CHAIR

CONTEMPORARY COLLECTION

Design Mathieu Gustafsson

ZINC is a light, strong and comfortable bar chair in solid steambent ash.

With its unique design, this traditional technique meets a contemporary expression with high level of craftsmanship. The elegant dimensions of the wooden frame and footrest of solid cast aluminium ensures highest durability and graceful ageing.

The seat is padded with a generous natural filling, dressed in vegetable tanned leather or natural textile.

ZINC bar chair is offered in 2 seat heights and a great variation of colors and upholstery.

Swedish handcraft made to customer order in 8 weeks.
