

VIDE COAT HANGER

CONTEMPORARY COLLECTION

Design Javier Masa 2024, NMASA Design

VIDE is a light and strong coat hanger designed by Javier Masa.

Despite its low weight of only 2,5 kg VIDE has a large loading capacity, and is just as suitable at the Restaurant or Office as well as at home.

VIDE is made in solid steam bent beech and is available in a wide range of colors.

The product family VIDE includes several floor standing and wall mounted hangers.

Swedish handcraft made to customer order in 8 weeks.
