

DUETT TABLE

CONTEMPORARY COLLECTION

Design Gemla 2023

DUETT is an elegant but yet robust table.

A rigid base of welded steel and a gently shaped table top in solid ash.

The hidden rubber feet gives DUETT the appearance of slightly hovering above the floor, but is always standing steadily on the ground.

DUETT is powder coated black, giving the table a great resistance against ware and stains, while the ash top is offered in hardware oil in different colors.

DUETT can be offered in bespoke versions for projects.

Swedish handcraft made to customer order in 8 weeks.
